RE: Sidney Vehicle Storage and Office, Contract 08-42

I would like to express my appreciation of the fine job you did for Mid-Rivers on the Sidney Garage and Office Building. The project was of very high quality, within the estimate you provided and all of the outstanding items have been taken care of. The site was left very clean and all waste materials removed. I would have no hesitation in recommending you for other work.

Thank you.

James Nash
Network Engineering Manager
